PACO BIKE Launched 20" & 24" Road Bike

PACO BIKE always pays great attention on the comfort of riders. All the products of PACO BIKE are focus on ergonomics in order to let teenage riders enjoy the best bike training. Thus, PACO BIKE launched the first 20" & 24" road bike specially for this year. The geometric angles of the frame and the gear ratio of this model are the most suitable construction for teenagers, and the shift level is also adjusted. This is a perfect training bike that is specially designed for teenagers. The 20" & 24" road bike let all teenagers and teenage racers have a chance to derive the best and the only road bikes.
